Medium Auto Rider Floor Scrubber PA7

Product Introduction:

Medium Rider Floor Scrubber PA7 is an agile and easy-operating auto floor scrubber. With a very small turning radius, this machine is very flexible and offers excellent maneuverability. It is suitable for large and medium area but can also perform very well in narrow area. The machine also features large tank capacity and is easy to fill with fresh water.

Features

1. Soft start-up motor, the rotating speed rises evenly from 50 rpm to 180 rpm; this makes very low noise and protects the motor well.
2. Protecting device for suction motor; the level switch in the sewage tank automatically stops the scrubber once the sewage tank is full.
3. Double skid-proof drive wheels.
4. Intelligent control system.
5. Brush contact pressure is adjustable.

Front drive is strong and reliable power

Control system, easy to operate

Adjustable earth pressure system, Suitable for multiple sites

Tank equipped with a water level sensor and will auto stop when the water is full

Batteries with large capacity and long standby

Unique water absorption system, large body, small decibel, 58db

Product Parameter
